

Dear Colleagues:

Greetings! You are cordially invited to submit a paper to the forthcoming Special Issue entitled "Improving IPM of Specialty Crop Pests and Global Food Security" for INSECTS-MDPI. Based on your expertise, we will greatly appreciate your contributions for this special issue to further support IPM in the specialty crops and global food security. Papers may be submitted from now on until 31 March 2021. As papers will be published on an ongoing basis, we will greatly appreciate to have title of your paper and potential submission date by 15 June 2020 or before.

Additional details can be found on the following website: [https://www.mdpi.com/journal/insects/special\\_issues/IPM\\_Security](https://www.mdpi.com/journal/insects/special_issues/IPM_Security)

For your convenience, we have also attached the Special Issue flyer.

Insects (ISSN 2075-4450, IF 2.139) is a peer-reviewed open access journal of materials science and engineering, published semi-monthly online by MDPI. The article processing charge (APC) is normally 1,400 CHF (Swiss Francs) per accepted paper. You may be entitled to an additional discount if you have previously received a discount code or if your institute is participating in the MDPI Institutional Open Access Program (IOAP) (for more information, please visit: <https://www.mdpi.com/about/ioap>)

Benefits of publishing in INSECTS:

1. Open access and high visibility: unlimited access, broad database coverage, various promotional activities and academic event presentations, and
2. Rapid turnaround: 16 days from submission to first decision.

We hope acceptance of this invitation and thank you for sharing your innovative work with our readers.

For any questions regarding technical issues or the journal, please contact: Muhammad Haseeb (email: [muhammad.haseeb@fam.u.edu](mailto:muhammad.haseeb@fam.u.edu)); Jawwad A. Qureshi (email: [jawwadq@ufl.edu](mailto:jawwadq@ufl.edu)); Youichi Kobori ([koboriy@affrc.go.jp](mailto:koboriy@affrc.go.jp)).

We look forward to your confirmation of the submission and thank you for your contribution to the Special Issue.

Kind regards,

Editorial Team
