

Integrated Pest Management
for our environment • for our future

10th International IPM Symposium

Implementing IPM across Borders and Disciplines

PROMOTE your organization as
an **EXHIBITOR** or
SPECIAL EVENTS SPONSOR to
our audience of decision makers
and key influencers!

Sponsors receive a
DISCOUNTED exhibit space!

Many other opportunities are
available to support the
Symposium.

February 28 - March 3, 2022

Held in Denver, Colorado, USA at the
Sheraton Denver Downtown Hotel

Network with **over 600 attendees** in pest management fields!
Symposium sessions will address Integrated Pest Management (IPM)
across disciplines, internationally and in the marketplace.

Sponsor Opportunities

Attendees are decision makers, educators and key influencers on purchases of a wide variety of services and products including software, laboratory and field research supplies, and inputs for pest management in agriculture and in communities. They influence purchases by colleagues, students and practitioners including crop consultants, farmers, government agencies and structural pest management and land-care professionals. This event will offer unique opportunities to share your products and services with this important audience.
